SUMMARY

AI Project & Product Manager and B2B/B2C business analyst with hands-on experience across the full product lifecycle planning, execution and release for web, SaaS, ERP, e-commerce and AI-powered products. Currently leading an AI team at ACI PLC, turning ideas into working prototypes and delivering applications in agriculture, healthcare and computer vision. Combines a Computer Science & Engineering foundation (JavaScript, Python, Java, C++, PHP/Laravel, C#/.NET) with strong communication, sprint management and stakeholder skills.

SKILLS

Product & Project Management: Product Lifecycle Management, Requirement Engineering, System Analysis, Agile/Scrum, Sprint Planning, Product Analytics & Prioritization, Team Leadership
AI & Management Tools: Claude Code, Bolt, TRAE, Jira, Power BI, Notion, NotebookLM
Frontend: HTML, CSS, Bootstrap, ReactJS, Flutter, UI/UX design tools
Backend & Languages: PHP (Laravel), NodeJS, MySQL, Dart, JavaScript, Python, Java, C++, C#/.NET
Soft Skills: Team Collaboration, Problem Solving, Adaptability, Public Speaking & Presentation, Management, Leadership

KEY ACHIEVEMENTS

- **AI Team Leadership**
  Lead an AI team at ACI PLC, managing the project pipeline and rapid AI prototyping since January 2026.
- **10+ Products Delivered**
  Built and managed AI, SaaS, ERP and e-commerce products, from ACI AgroGPT to Lenden.store.
- **Career Growth in Product & Tech**
  Progressed from IT support and junior engineer to Assistant Project Manager and AI Product Manager.
- **Research with Real Prototype**
  Authored research on a hybrid Vehicle-to-Vehicle communication system, built as a physical prototype with web app and dataset.

EXPERIENCE

Product Manager (AI Project Manager)
ACI PLC, MIS, AI team
01/2026 - Present | Tejgaon Industrial Area, Dhaka

- Manage the AI team and its project portfolio, from opportunity discovery through prototyping and delivery.
- Build fast prototypes with AI tools (Claude Code, Bolt, TRAE) to validate ideas before full development.
- Drive AI initiatives including ACI AgroGPT (agriculture assistant) and Face Recognition for ACI Motors (Yamaha).
- Identify and shape new AI opportunities that create value for the team and business.

Assistant Manager - IT
TISS Corporation Ltd. (China-Bangladesh Joint Venture)
02/2025 - 12/2025 | Uttara, Dhaka

- Customized Active eCommerce and business-process applications to meet company requirements.
- Planned and distributed sprint work across the development team.
- Bridged business needs and technical delivery to keep releases on track.

Software Development Coordinator (Assistant Project Manager)
Bangladesh Software Development
10/2024 - 02/2025 (Contractual) | Nikunja-2, Khilkhet, Dhaka

- Coordinated development of new CRM and ERP products for SMEs.
- Performed requirement engineering and system analysis by gathering and documenting client requirements.
- Designed daily scrum routines and distributed sprint tasks; contributed to business development.

Jr. Software Engineer & Business Representative
CODETREE
01/2024 - 09/2024 | Sector-10, Uttara, Dhaka

- Developed an e-commerce website with an integrated management system.
- Collaborated with senior engineers on the development of a SaaS product.
- Represented the company to clients as business representative.

IT Support Executive
Movistar Australia (Remote)
12/2019 - 11/2020 | Remote

- Provided IT support to clients and handled internal office IT needs.
- Delivered product demonstrations to clients.

SELECTED PROJECTS

- **ACI AgroGPT**: AI assistant for agriculture
- **DiaAI**: AI application for diabetic patients
- **AI Music Mind**: generate music in 3 clicks
- **AgroMart**: e-commerce with voice-order technology
- **Penguin Fashion**: fashion & lifestyle e-commerce platform
- **Yamaha Face Recognition**: face recognition for ACI Motors
- **AI Nutrical**: scan food to get its nutrition breakdown
- **Weather Impact on Business**: 6-month AI forecast of weather impact
- **Lenden.store**: ERP for SMEs
- **ISP Billing Software**: one-stop solution for internet providers

Research

- A Hybrid Approach for Vehicle-to-Vehicle Communication System with Enabled Location Tracking (physical prototype with web application and dataset)
- Malicious URL Detection using Machine Learning

EDUCATION

BSc in Computer Science and Engineering (Washington Accord)
International University of Business Agriculture and Technology (IUBAT)
Graduated 2025 | CGPA: 3.23 / 4.00 | Dhaka, Bangladesh

Higher Secondary Certificate (HSC)
Dohar Nawabganj College and University
2019 | GPA: 3.83 / 5.00

Secondary School Certificate (SSC)
Nawabganj Pilot High School and College
2017 | GPA: 4.73 / 5.00

TRAININGS & CERTIFICATIONS

- **Product Analytics Certification (PAC™)** — Product School
- **PMP® Certification Training Course** — Master of Project Academy
- **Critical Thinking in the AI Era** — HP LIFE
- **Project Lifecycle Management Certified Implementation Specialist** — The Open University
- **Engineering Drawing** — The Open University
- **Full-Stack Web Development (LAMP)** — Shikhbo.ai
- **Product Prioritization Certificate (PPC™)** — Product School
- **Agile Project Management** — HP LIFE
- **Project Governance and PMO** — The Open University
- **Software Development for Enterprise Systems** — The Open University
- **Full-Stack Web Development (MERN)** — Programming Hero

EXTRACURRICULAR ACTIVITIES

- **Bangladesh National Cadet Corps (BNCC)** — Cadet Corporal, Media & Publication In-charge, IUBAT BNCC, 3 Ramna Battalion (Army Wing), 06/2020 - 06/2023. Leadership certified by BNCC.
- **BASIS Student Forum (IUBAT Chapter)** — General Member, 06/2020 - 06/2023
- **Rotaract Club of IUBAT** — General Member, 05/2020 - 05/2024

LANGUAGES

English — Fluent in all aspects of communication (medium of instruction)

Bengali — Fluent in all aspects of communication

INTERESTS

- **Advancing AI Technology**
  Passionate about exploring and building AI to solve real-world problems and improve business processes.
- **SaaS Product Growth**
  Enjoy taking products from idea to release and scaling them through analytics and prioritization.
